PREAMBLE.

EDWARD, R. & I.

Whereas by Section 136 of the Army Act it is enacted that the pay of an officer or soldier of His Majesty's Regular Forces shall be paid without any deduction other than the deductions authorised by that or any other Act, or by any Royal Warrant for the time being, or by a law passed by the Governor-General of India in Council ;

And whereas it is commanded in the Warrant of Our late Royal Mother, dated the 26th October 1900, that the pay, non-effective pay, and all other emoluments granted by that Her Warrant to an officer, soldier, or other person, shall be held liable to be stopped, on the order of Our Secretary of State, to meet any public claim there may be against him, any regimental debt that may be due from him, or any regimental claim which Our Secretary of State may direct him to pay ;

And whereas We deem it expedient that like provisions shall be extended to Our Indian Empire, wherein the provisions of the above Warrant, as regards full pay and allowances and other pecuniary benefits, are not in force ;

We do hereby command that the pay, non-effective pay, and all other emoluments payable under the Army Regulations, India, to an officer, soldier, or other person, shall be held liable to be stopped, upon the general or special order of the Governor-General of India in Council, to meet any public claim there may be against him, any regimental debt that may be due from him, or any regimental claim which the Governor-General of India in Council may direct him to pay :

Provided that every case in which any emolument payable to an officer, soldier, or other person has been so stopped shall, if such officer, soldier, or other person so requires, be reported to the Secretary of State for India in Council who may pass such order thereon as he thinks fit.

Definition.

" Public claim " shall be held to mean any public debt or disallowance, including any over-issue made through an error as to the facts ; or a deficiency or irregular expenditure of public money or stores of which, after due investigation, no explanation satisfactory to the Governor-General of India in Council is given by the person who is responsible for the same.

Given at Our Court at St. James', this 22nd day of February 1902, in the second year of Our Reign.

By His Majesty's Command,
GEORGE HAMILTON

2. In exercise of the powers conferred on him by the above Royal Warrant, the Governor-General in Council is hereby pleased to direct that the pay, non-effective pay, and all other emoluments payable under the Army Regulations, India, to any officer, soldier, or other person, shall be stopped to meet any public claim there may be against him, any regimental debt that may be due from him, or any regimental claim which the Governor-General in Council may direct him to pay.

NOTE.—In addition to the stoppages enforceable under the above Royal Warrant, the Governor-General in Council can also order penal stoppages under the provisions of Section 137 (4) of the Army Act, from the pay of officers serving in India.

J. B. BRUNYATE,

Secretary to the Government of India,

Finance Department.

3. In partial modification of the above orders, the Governor-General in Council is pleased to direct that a public claim or regimental debt shall not be recovered from the wound, injury or disability pension of an officer or soldier except under the special orders of the Government of India.

G. M. YOUNG,

Secretary to the Government of India,

Army Department.

I further promise to repay any amount advanced to me in excess of the pension to which I may be eventually found entitled.

51. How and by whom arrangements for payment are made.

When an individual who has been granted a pension desires that its payment from its commencement should be made at one of the stations in India specified in Appendix I, arrangements for its payment shall be made in accordance with the following procedure :—

- (i) *Pensioners other than Indian military pensioners.*—The C. M. A. & P. shall forward an extract from his pension circular notifying the grant of pension and the conditions to which it is subject, to the prescribed pension paying officer and authorise him to pay pension from a date which should be specified in the forwarding letter.
- (ii) *Indian military pensioners.*—The C. M. A. & P. shall prepare a pension certificate on I. A. F. A-373 and forward it to the O. C. unit or formation concerned, together, in the case of a family pensioner, with the duplicate copy of the descriptive roll on I. A. F. A-366.

A. F. A-366) to the pension paying officer concerned by registered post.

On receipt of these documents and the C. M. A. & P.'s pension circular, the pension paying officer shall make payment.

52. Identification of a pensioner other than an Indian military pensioner.

(i) Except as provided in clauses (ii) to (iv) below, a pensioner must take payment in person after the pension paying officer has satisfied himself as to his identity.

(ii) A pensioner specially exempted by the Local Government from personal appearance, a female pensioner not accustomed to appear in public or a pensioner who is unable to appear in consequence of bodily illness or infirmity may receive his or her pension through a representative upon the production of a life certificate signed by a responsible officer of Government or by some other well-known and trustworthy person.

(iii) A pensioner who produces a life certificate signed by some person exercising the powers of a magistrate under the Criminal Procedure Code or by any Registrar or Sub-Registrar under the Registration Act, or by any pensioned officer who before retirement exercised the powers of a magistrate, or by a chaplain or any gazetted officer of Government or by a munsiff or by any person holding a Government title is also exempted from personal appearance.

(iv) In cases referred to in clauses (ii) and (iii), the pension paying officer must take precautions to prevent impositions, and must, at least once a year, require proof independent of that furnished by the life certificate, of the continued existence of the pensioner. For this purpose he shall (save in cases of exemption from personal appearance granted by the Local Government) require the personal attendance and due identification of all male pensioners who are not incapacitated by bodily illness or infirmity from so attending, and in all cases when such inability may be alleged, he shall require proof thereof in addition to the proof submitted of the pensioner's existence. A pensioner of commissioned rank may be privately identified by the pension paying officer and need not be required to appear at a public office.

(v) The pension paying officer shall be personally responsible for any payment wrongly made. In case of doubt he should consult the C. M. A. & P.

53. Identification of an Indian military pensioner.

(i) Except as provided below a pensioner must apply in person for his pension and he shall be identified by comparison with his descriptive roll and pension certificate.

(ii) In the case of severely wounded and infirm Indian military pensioners, and female pensioners who are not accustomed to appear in public, personal attendance is not necessary. Payment shall be made to a representative of the pensioner on the production of—

(a) the pensioner's pension certificate.

- (b) a certificate signed by a responsible Government officer or by some other well-known and trustworthy person that the pensioner is alive. The certificate must bear the impression of the ball of the thumb of the pensioner's left hand, taken in the presence of that officer or person.
- (c) a written authority from the pensioner to the representative bearing the pensioner's thumb impression, together with a specimen of the signature or thumb impression of the representative.

(iii) If the certificate referred to at (ii) (b) is given by a Viceroy's commissioned officer, a sub-inspector of police, a sub-postmaster drawing not less than Rs. 50 per mensem, a tehsildar, a village headman, a *patti patwari* (in the case of Garhwali pensioners resident in Kumaon), or the head of the village *panchayat*, who is acquainted with the pensioner, it shall be accepted by the pension disbursing officer, if he has no reason to doubt the veracity of such a certificate. He shall inform the pensioner's representative of any further guarantee which he may require to safeguard the payment being received by the correct person. He shall also make independent enquiries once a year to satisfy himself that the pensioner is still alive.

(iv) In the case of a Gurkha pensioner living beyond the borders of British India, who is physically unable to apply for his pension in person, His Britannic Majesty's Envoy Extraordinary and Minister Plenipotentiary at the Court of Nepal shall arrange for the payment of the pension through a responsible Durbar official; and in the case of a pensioner residing in Sikkim or Bhutan the Political Officer there shall make the payment. If such a pensioner, however, desires to draw his pension in British India, payment may be made in India to a representative under the condition prescribed above, but the life certificate shall be signed by either two male military pensioners (not below the rank of havildar), or by a pensioned Gurkha officer, acquainted with the pensioner. The pensioner shall, however, make one journey to the pension paying officer concerned and state personally to him that he desires his pension to be paid in future through a representative; this representative shall accompany the pensioner in order to admit of his identification marks being recorded by the pension paying authority.

The names and particulars of such pensioners shall be reported to H. B. M.'s Envoy Extraordinary and Minister Plenipotentiary, who should, at the same time, be requested to obtain once a year a life certificate from the Nepal Government for every such pensioner residing in Nepal.

(v) The pension paying officer is personally responsible for any payment wrongly made. In case of doubt he should consult the C. M. A. & P.

54. Agents.

(i) A pensioner resident in India may draw his or her pension through a duly authorised agent approved by the Governor General. The agent must execute a bond to refund overpayments and produce at least once a year a life certificate signed by any of the persons authorised by rule 52 to sign such certificates. In such a case a pensioner shall be exempted from personal appearance at the treasury to receive his or her pension.

(ii) A pensioner not resident in India may draw his or her pension in India through a duly authorised agent, who must either produce a certificate by a magistrate, a notary, a banker or a minister of religion, on each occasion, that the pensioner was alive on the date to which his pension is claimed, or execute a bond with the Governor General to refund overpayments and produce such a certificate as aforesaid at least once a year.

(iii) The pension of an individual drawing pension through an agent who has executed a bond to refund overpayments shall not be paid on account of a period of more than a year after the date of the life certificate last received and the accounts and pension paying officers shall be on the watch for authentic information of the death of any such pensioner, and on receipt thereof, shall promptly stop further payments.

55. Payment of pension by money orders.

Payment of pensions up to Rs. 50 per mensem may be made by postal money order at the option of the pensioner, the money order commission being deducted from the amount of pension. This rule shall apply only to pensions paid by treasuries.

56. Certificate of re-employment.

(i) A pensioner drawing pension in India shall be required to append to his bill a certificate showing whether or not during the period for which pension is claimed he was re-employed, or employed under Government. In cases where pension is not permitted to be drawn during employment or re-employment under Government under the rules in Part I or Part II of these regulations, payment of pension shall be stopped.

(ii) Heads of offices employing pensioners in an official capacity shall take action as under :—

(a) Pensioners re-enlisted or holding appointments which under rule are required to be held by enrolled men, and

individuals in receipt of family pension or children's allowance. :—

A report shall be made to the C. M. A. & P. The heads of offices shall at the same time take possession of the individual's pension papers, noting thereon the period during which he is re-employed.

- (b) Pensioners re-employed in a civil capacity, whose pay is fixed under Article 526 C. S. R.—

A report shall be made to the C. M. A. concerned.

57. Payment of arrears of pension to pensioners who neglect to draw their pensions for a long period.

See Section II of Chapter IV.

58. Reduction or forfeiture of pension of an Indian military pensioner who is convicted of a serious crime or is guilty of grave misconduct.

(a) *Crime or misconduct not of a political nature.*—If an Indian military pensioner is convicted of a serious crime by a court of law or is guilty of grave misconduct, which is not of a political nature, (see rule 205, Part II of these regulations), the following procedure shall be followed :—

- (i) If a pensioner is sentenced to imprisonment for a criminal offence, his pension shall be suspended from the date of his imprisonment and the case reported at once by the C. M. A. and P. for the orders of the competent authority. In a case where a pensioner is kept in police or jail custody as an under-trial prisoner and is eventually sentenced to a term of imprisonment for a criminal offence, the suspension of pension shall take effect from the date of imprisonment only.
- (ii) The competent authority shall decide in consultation with the C. M. A. & P., and if necessary, with the civil authorities also, whether the offence is a serious one and if so, he shall order the removal of the pensioner's name from the pension list, from the date of the commencement of his imprisonment. Pension thereupon shall cease to be payable from that date.
- (iii) If the competent authority decides that the offence is not so serious as to justify the removal of the pensioner's name from the pension list, it shall not be removed; the payment of arrears of pension due from date of last payment before imprisonment shall be made on release from prison.
- (iv) If a pensioner is sentenced to imprisonment for a criminal offence by a lower court but is acquitted, on appeal, by a higher court, the pension withheld shall be restored.

- (v) If a pensioner is imprisoned for debt, pension shall continue to be paid.
- (vi) If a pensioner is guilty of grave misconduct not falling under the preceding clauses, it shall at once be reported to the competent authority who may, if he considers it justifiable, order the suspension of his pension from a date to be specified. The competent authority shall subsequently investigate the case in consultation with the C. M. A. & P. and the civil authorities, if necessary, and may withhold, reduce or continue the pension in full from a date to be specified by him not earlier than the date of original suspension.

(b) Crime or misconduct of a political nature.

If a pensioner is convicted of a crime or is guilty of misconduct, of a political nature, (see rule 205 of Part II of these regulations), his case shall forthwith be reported by the C. M. A. & P. to the competent authority, who, on the recommendation of the local government or administration concerned, may order the forfeiture of his pension (service and disability pensions, family pension drawn by adult males only, and children's allowance) from a date to be specified. In a case in which the pensioner is sentenced to imprisonment, pension shall, pending the orders of the competent authority, be suspended from the date of his imprisonment.

59. Restoration of a pension forfeited under the preceding rule.

A pension reduced, withheld or forfeited under rule 205 of Part II of these regulations may be restored in full or in part by the competent authority in consultation with the local government or administration concerned in political cases and with the C. M. A. & P. and the civil authorities, if necessary, in other cases. In the case of a pensioner undergoing imprisonment any action under this rule shall only be taken on his application after release, but, in no case, shall pension be sanctioned for the period of imprisonment in jail for a serious crime.

60. Payments in respect of deceased pensioners other than Indian military pensioners.

- (i) Pension is payable for the date of a pensioner's death.
- (ii) Subject to the provisions of clause (iii), arrears of pension due to the estate of a deceased pensioner may be paid to the legal heir on production of certified copy of the probate of the will, if any, left by the deceased, or letters of administration granted by a court of law or an indemnity certificate signed by two responsible persons that the claimant is the legal heir and that they hold themselves responsible for the refund of the amount paid, in the event of any future claim being preferred. If the legal heir

is a minor, payment shall be made to the legal guardian or when there is none, to the person appointed by a Court of Law.

(iii) Claims to arrears of pension preferred after the expiration of one year from the pensioner's death, may be admitted in full by the C. M. A. & P., if he is satisfied with the claimant's explanation for the delay ; if he is not satisfied with the explanation, he shall obtain the orders of the Governor General. In the case of King's commissioned officers of the Indian Services (excluding those of the I. U. L. and I. M. D.) and Indian commissioned officers, however, all such arrear claims shall be submitted for the orders of the Governor General.

61. Payment in respect of deceased Indian military pensioners.

(i) Subject to the following conditions, arrears of pensions claimed in respect of a deceased Indian military pensioner within three years of his or her death shall be investigated and paid to the heirs of the deceased by the pension disbursing officer responsible for the payment, after such enquiry into the right and title of the claimant as he may deem sufficient. If there is reasonable doubt regarding such claim or title the payment shall only be made to the administrator appointed by the civil court.

(ii) Claims preferred after the expiration of three years from the date of death, also claims to sums in excess of Rs. 100 preferred after 12 months from the death of the pensioner and claims to arrears due for periods in excess of 12 months shall require the sanction of the C. M. A. & P. before payment.

(iii) Claims to arrears of pension on account of deceased Gurkha pensioners drawing pensions from the following treasuries shall, however, subject to the general conditions laid down above, be disposed of finally by the officers specified below instead of by the pension disbursing officer or the C. M. A. & P :—

Bahraich treasury	Deputy Commissioner, Bahraich.

(iv) When the exact date of a military pensioner's death cannot be ascertained, the C. M. A. & P. shall have the power to admit arrears of pension for the entire month in which the casualty occurred, but when the month or year of death is not known the payment of arrears shall be limited to a period of one month.

(v) In the case of Gurkha pensioners the certificate of death and heir-ship granted by the local Nepalese Durbar official must be countersigned by H. B. M.'s Envoy Extraordinary and Minister Plenipotentiary or the R. O. for Gurkhas.

62. Attachment of pension by civil courts.

No pension whether due or to become due can be attached by process of any court until it has actually been paid. No pensioner can assign or sell any interest in respect of a pension not then due.

63. Transfers in India.

(i) The C. M. A. & P. or the pension disbursing officer concerned may, on application and on sufficient cause being shown, permit transfer of payment of a pension from one paying station to another in India.

(ii) The C. M. A. & P. may permit transfer of the recipient of a capitation allowance from one recognised institution to another specified in Appendix III without prejudice to the grant of capitation allowance, if such a course is certified by the local doctor to be necessary for medical reasons.

A. & P. the circumstances warrant the stoppage of pensions in full or recovery of the overpayment in instalments of more than one-third of the pension, a report shall be submitted to the competent authority. That authority shall decide each case on its merits and communicate his decision to the C. M. A. & P. who will carry out such further adjustments as may be necessary.

Overpayments of pension obtained by female pensioners on presentation of false certificates of continued widowhood shall, irrespective of the amount involved, be referred to the competent authority for orders as to the manner in which the sum fraudulently drawn by the alleged widow shall be recovered from the pensioners who signed the false certificates. Unless the pensioners who signed such a certificate can offer a satisfactory explanation other than that they were ignorant of the widow's remarriage, the sum obtained

by the alleged widow with the aid of the certificate shall be recovered from the pensioners who signed it in shares proportionate to the pension which they are receiving, subject to the proviso that the monthly pension of each pensioner shall not be reduced by more than one-third. 112. Reopening of rejected applications for commutation and payment of fees for medical examination by a second medical board.

(i) A pensioner whose application to commute a portion of his pension has been rejected on the recommendation of a medical board, or who has once declined to accept commutation on the basis of an addition of years to his actual age as recommended by a medical board, may, if he appeals for the revision of the original finding, be permitted to appear for one re-examination by a medical board, provided that a period of not less than one year has elapsed since the date on which he was examined by the first medical board. In such cases the procedure outlined in clause (i) of rule 109 shall be followed irrespective of whether the examination is conducted by a civil or a military medical board, except that when the examination is conducted by the military medical board, the Government share of the fee, i.e., Rs. 4, shall be credited as revenue of the Defence Department and the receipt together with the medical certificate shall be forwarded to the Controller of Military Accounts and Pensions, Lahore.

(ii) If in the opinion of the medical authority prescribed in clause (i) some special examination is necessary which it is not in a position to carry out itself, it may require the pensioner to undergo such examination at his own expense. No refund of such expenditure shall be given by Government irrespective of the result of the examination.

113. Recovery of public claims from the commuted value.

The U. S. of State for India, in cases dealt with by the India Office, and the C. M. A. & P., in other cases, shall, before the capitalised sum is paid, ascertain whether any public claim is outstanding against the applicant, and deduct the amount of any such claim from the lump sum which would, but for the claim, be payable to him.

(ii) *Warrant officers*.—The age declared by a warrant officer on his first attestation shall be taken as the correct age for purposes of commutation.

(i) *Civil medical board*.—If the examination is conducted in India, the pensioner shall pay a fee of Rs. 16, one-fourth of which, *viz.*, Rs. 4, shall be credited to Government as revenue of the civil department concerned and the balance, *viz.*, Rs. 12, shall be paid by the pensioner in cash to the board at the time of the medical examination to be retained and divided by the members of the board among themselves.

The authority competent to convene the civil medical board shall when sending an intimation to the pensioner, direct him to deposit the Government share, *i.e.*, Rs. 4, into the civil treasury, the Reserve Bank of India, or the Imperial Bank of India, as the case may be, and to hand over the receipt along with the balance of fee, *viz.*, Rs. 12 in cash to the board at the time of examination. The above authority shall also direct the board to forward the receipt and the medical certificate to the civil audit officer concerned and the Controller of Military Accounts and Pensions, Lahore, respectively.

(ii) *Military medical board.*—No fee shall be paid by the pensioner in respect of his first examination when he is examined by a military medical board. See rule 127.

The medical board shall report in the following form :—

“ We have carefully examined.....and are of opinion that he is (or is not) in good bodily health and has (or has not) the prospect of an average duration of life. We, therefore, (or do not) recommend compliance with his application to be allowed to capitalise a portion of his pension ”

In the case of impaired lives in which compliance with the application is recommended, but with an addition of years of age, the following shall be added :—

(ii) *Impaired lives.*—In cases where an addition to his age is recommended, the officer or warrant officer shall be informed by registered post and with acknowledgment due of the board's recommendation and of the capital sum payable in view thereof. The applicant may withdraw his application by written notice despatched within two weeks from the date on which he receives intimation of the revised sum payable on commutation. If the applicant does not withdraw in writing his application within the period of two weeks prescribed above he shall be presumed to have accepted the sum offered.

(iii) *Place of payment.*—The capitalised sum shall be payable in India if the commutation is effected there. In all other cases it shall be payable by the official through whom the pension is issued.

126. Cancellation of commutation in the case of a warrant officer.

127. Reopening of rejected applications for commutation and payment of fees for medical examination by a second medical board.

(i) A pensioner whose application to commute a portion of his pension has been rejected on the recommendation of a medical board, or who has once declined to accept commutation on the basis of an addition of years to his actual age as recommended by a medical board, may, if he appeals for the revision of the original finding, be permitted to appear for one re-examination by a medical board, provided that a period of not less than one year has elapsed since the date on which he was examined by the first medical board. In such cases the procedure outlined in clause (i) of rule 123 shall be followed irrespective of whether the examination is conducted by a civil or a military medical board, except that when the examination is conducted by the military medical board, the Government share of the fee i.e., Rs. 4, shall be credited as revenue of the Defence Department and the receipt together with the medical certificate shall be forwarded to the Controller of Military Accounts and Pensions, Lahore.

(ii) If in the opinion of the medical authority prescribed in clause (i) some special examination is necessary which it is not in a position to carry out itself, it may require the pensioner to undergo such examination at his own expense. No refund of such expenditure shall be given by Government irrespective of the result of the examination.

128. Recovery of public claims from the commuted value.

The Under Secretary of State for India, in cases dealt with by the India Office and the C. M. A. & P., Lahore, in other cases, shall, before the capitalised sum is paid, ascertain whether any public claim is outstanding against the applicant, and deduct the amount of any such claim from the lump sum which would, but for the claim, be payable to him.
